Dear Judge Craig:

I am writing this letter in anticipation of the instant debtor's Confirmation Hearing set for April 9, 2020 at 10:00 a.m.

I have maintained constant contact with Trustee Macco's Office during these difficult times. The trustee maintains that the Debtor has outstanding documents including operating reports and an Affidavit explaining the Debtor's business assets and accounts receivables.

The Debtor attempted to obtain and submit additional documentation during these difficult times; however, the Debtor had a family tragedy last night. The Debtor took a close family member to the doctor last weekend because of his/her health issues. The doctor admitted the Debtor's family member into the hospital the same day. After continuing to suffer from health issues for a week, the Debtor's family member passed away on April 5, 2020. The Debtor was unable to obtain additional documentation for submission during this period.

Therefore, the Debtor asks that the Court grant the Debtor an adjournment at the Confirmation Hearing on April 9, 2020. She understands that other debtors may be experiencing their own difficulties at this time, but due to the abrupt and acute nature of the Debtor's situation, the Debtor requests an adjournment.

The Debtor informed Debtor's counsel early this morning as to the entirety of the situation. Debtor's Counsel expected to submit documentation before the expiration of the seventy-two hour advance notice period.

Respectfully,

Peter White, Esq.
